SUMMARY

Information Technology student skilled in Frontend and Backend Development, HTML, CSS, JavaScript, and DBMS. Passionate about problem-solving and seeking opportunities to apply technical skills in real-world projects.

EXPERIENCE

HMIES Solutions Private Limited 🔗

05/2025 – 06/2025

Machine Learning Intern

Visakhapatnam, India

Developed and trained Machine Learning models using Python and scikit-learn, Produced 90% prediction accuracy. Processed 5,000+ real-world records through data preprocessing and feature engineering, implemented supervised learning algorithms, optimized model performance, and improved training efficiency using scalable Python code.

EDUCATION

Bachelor of Technology in Information Technology

2022 – 2026

MVGR College of Engineering

Vizianagaram, India

CGPA: 7.51

SKILLS

Languages & Scripting: HTML, CSS, C, C++, JavaScript

Database: MongoDB, SQL, DBMS

Backend: Node.js

Tools & Platforms: GitHub, VS Code

Soft Skills: Problem-Solving & Critical Thinking, Time Management & Self-Motivation, Teamwork & Collaboration, Leadership, Fast Learner

LANGUAGE

Telugu | Hindi | English

PROJECTS

Epileptic Seizure Prediction using Deep Learning 🔗

01/2025 – 04/2025

Academic Project

Designed a deep learning-based epileptic seizure prediction system using LSTM and EEG signal analysis, accomplished 98.53% accuracy and 99.67% ROC-AUC score. Processed 10,000+ EEG records, applied preprocessing and feature engineering, and built a Streamlit web application for real-time seizure prediction.

Crowd Density Estimator using YOLOv5 🔗

04/2024 – 09/2024

Mini project

Engineered an AI-based Crowd Density Estimator using Python, Flask, and YOLOv5 for real-time person detection and crowd counting. Implemented object detection for accurate tracking from images and video streams, and built a Flask web application with user authentication, upload functionality, and real-time visual output.

CERTIFICATIONS

Google Data Analytics 🔗

Coursera June 06, 2025

Oracle Cloud Infrastructure 2025

Certified 🔗

Foundations Associate

May 17, 2025

TCS ION Career Edge - Young

Professional 🔗

May 05, 2025

Hackathon TechXcelerate 2025

4th place, BITS Pilani, Hyderabad
March 03, 2025

LastMile Program - Salesforce AI

Agent Developer 🔗

July 28, 2025 to October 18,
2025
